Road Closure

US Route 52, between IL Route 71 & IL Route 47

The Illinois Department of Transportation announces that US Route 52 between IL Route 71 and IL Route 47 will be closed beginning Monday May 1st and is scheduled to be closed through late September.

A \$995,640.17 contract has been awarded to D Construction, Inc. of Coal City, IL for this work. The project work includes removing 3 structures over Mission Creek and replacing them with box culverts.

To allow for access to residences and businesses along US Route 52, closures at consecutive structures will not be allowed. Work will begin on the structure 0.3 miles east of IL Route 71 and the structure 2.1 miles east of IL Route 71. Once these structures are complete, work will begin on the structure 1.5 miles east of IL Route 71.

The marked detour will utilize IL Route 71, Newark Road, and IL Route 47. Signing will be used to guide motorists through the detour.
